CONFIDENTIALITY STATEMENT

The information, data and drawings included in this business plan are strictly confidential and are supplied with the understanding that they will not be disclosed to third parties without the prior written consent of CircleCue, Inc.

MEMORANDUM OF RISK

The following business plan represents management's best current estimate of the future potential of the business. However, it must be recognized that no business is free of major risks and few business plans are free of errors and omission and commission. Therefore, investors should be aware that CircleCue, Inc. is a small venture facing business risks that must be evaluated by investors through discussions with management and experts capable of interpreting the information prior to any investment.
